Mr. Geo. A. Ruger, Sec'y.
Milwaukee Radio Amateurs Club
2142 So. 25th St.
Milwaukee, Wis.

Dear George:

I think your club group is familiar with the present system of membership contact by means of affiliated club visits from members of the League headquarters staff. The close contact between our personnel and the more intimate groups represented by the clubs -- as contrasted with the "impersonal" contacts which are inevitable when we attend conventions, where only a small percentage of those present can be met individually -- serves, we believe, to promote a more satisfactory understanding between the headquarters and the membership.

I am now writing to you, as Secretary of the Milwaukee Radio Amateurs Club, to advise that I will be in Milwaukee on Thursday, September 7, 1939, and it is our hope that it will be possible for a meeting of the club to be held that evening. I realize that this date may not be one of the regular meeting nights, but unfortunately it is the only time I can be present, owing to the schedule I must follow. I hope, nevertheless, that you will be able to arrange a meeting for that night for the purpose of discussing, informally and thoroughly, both our problems and yours.

If either your club or your individual members have problems, questions, criticisms of League services or policies, etc., I hope they will be brought up so that I can discuss them with you or bring them back here with me to West Hartford. We want to make this visit as productive as possible in the way of improved contact between you and us.

Please let me hear from you as soon as possible if a meeting can be arranged and the time and place.

Sincerely yours,

John Huntoon, W1LVQ-ex W9KJY
Assistant Secretary
